

Twenties Circle

A premier community equipping and empowering young adults

Twenties Circle

A message from Our Founding Team

Hey there,

Welcome to the **Twenties Circle community**.

We're thrilled to walk with you on this journey through your 20s.

We officially started this community in October 2023 to provide a platform and a safe space for young adults in their 20s to connect, share knowledge, and thrive together.

So far it has been an exciting journey and we are positive that this community provides real solutions to some of the challenges we experience in our twenties.

As you have opted to join this community, we hope you have an excellent and transformative experience, seeing this as a safe space to learn, share your stories, and build worthy connections.

Feel at home, foster new connections, and capitalize on as many opportunities as we share in the community.

We warmly welcome you into this community.

We're rooting for you as you navigate adulthood.

Who We Are

Navigating life in your early twenties is no easy task and things tend to get overwhelming. But what if you had a way to discover opportunities and overcome challenges that come your way easily?

While also connecting with other like minds and fostering personal growth.

Is that possible?

Yes, it is. That's where we come in.

With access to opportunities and resources, fostering meaningful networks, and worthwhile mentorships as our guiding lights, Twenties Circle is a community of young adults from various walks of life.
